

Science Education Update Conference

SAVE THE DATE: FRIDAY, APRIL 4, 2025

WHAT CAN I EXPECT FROM THE CONFERENCE?

The 2025 UNI Science Education Update Conference is a one-day conference for current and future teachers, hosted on the UNI Campus.

- ▶ Provides an opportunity for existing and future teachers including UNI alumni to network
- ▶ Focuses on issues and topics related to teaching Grades K-12 Science and STEM
- ▶ Collaboration with UNI STEM Departments and Support Services
- ▶ Features a *Keynote Presentation, Presentation and Workshop Sessions, Networking Focus Groups, and Exhibits*
- ▶ Access to instructional resources and strategies for the classroom
- ▶ Lunch and refreshments provided, along with raffle for prizes and gifts
- ▶ Sub-reimbursements to K-12 teachers who register early
- ▶ Opportunity to participate in OpenSciEd Science Saturday (April 5, 2025) Workshop for elementary teachers which includes a stipend and the opportunity to earn university credit (undergraduate or graduate)

KEYNOTE SPEAKER

Pamela Joslyn: STEM Educator at Muscatine Community School District, Albert Einstein Distinguished Teaching Fellow Alumnus, Fulbright Distinguished Awards in Teaching Alumnus, PhD Candidate at Drake University, and UNI PD Alumnus.
