Department of Communication and Media—Digital Media Production Minor
2023-2024 Minor Requirements – 16 hours

What is a minor?

A minor is a smaller concentration of courses in a secondary area of study (fewer credit hours required for a minor). A student declares a minor on the Declaration of Curriculum form. A minor will be reflected on a degree audit and transcript once the declaration form has been filed. Minors may be disciplinary or interdisciplinary – drawing from coursework from a variety of academic departments. Minors are optional for most majors. Note that teaching minors are only available to students who are declared in a teaching major.
