

## Black Hawk College

### Associate of Applied Science (A.A.S.) – Health Information Management

Transfer guide to the [University of Northern Iowa](http://www.uni.edu)

### Bachelor of Arts (B.A.) – Technology Management

#### A.A.S. courses transferring to UNI

Upon successful completion of the A.A.S. degree highlighted in this transfer guide, the following courses within the Bachelor of Arts (B.A.) in Technology Management program at the University of Northern Iowa will be satisfied:

Courses	Cr.
Technical Electives	36
Additional electives transferring from A.A.S.	25
<b>Grand Credit Total</b>	<b>61</b>

Credit Summary	Cr.
A.A.S. credits transferring to UNI	61
Other credits transferring to UNI	3
<b>Total credits towards UNI degree</b>	<b>64</b>
Total credits needed at UNI	56

#### Other courses transferring to UNI

Additional coursework built into this A.A.S. degree program may also transfer to the University of Northern Iowa. These courses satisfy requirements towards UNI's Foundational Inquiry (UNIFI) unless otherwise noted. For more information about UNIFI, please see the reverse of this document.

#### Recommended as part of A.A.S. degree plan

Students should choose **one** course, unless otherwise noted, from each of the groups below to fulfill an A.A.S. elective requirement.

BHC Course	Course Title	UNIFI
PYSC 101 <b>or</b> SOC 101	Intro to Psychology <b>or</b> Principles of Sociology	HD
<b>Credit Total</b>		<b>3</b>

\* The UNIFI column lists the category each course satisfies at UNI.

#### Other Important Information

- Students transferring an A.A.S. degree to UNI have the ability to complete the Technology Management B.A. program 100% online.
- This transfer guide is based off of the 2022-2023 academic catalogs at UNI & Black Hawk College.
- Courses listed in the Remaining UNI Plan of Study section are subject to change at any time and are based on a fall semester start.
- This transfer guide assumes the student is only transferring in coursework from this A.A.S. degree plan. Students may transfer additional credits to UNI, which will be evaluated on an individual basis.
- The UNI Foundational Inquiry (UNIFI) at UNI is the collection of general education courses required by the institution to fulfill the universities mission. For more information, visit [unifi.uni.edu](http://unifi.uni.edu).
